PUBLIC NOTICE

The Rowan County Board of Commissioners will hold a public hearing on November 19, 2012 during the 6:00 pm meeting to be held in the J. Newton Cohen Sr. Room, located in the Rowan County Administration Building, 130 West Innes Street, Salisbury, NC. Those interested in attending the public hearing and needing either auxiliary aids and services under the American with Disabilities Act (ADA) or a language translator should contact Carolyn Athey, Clerk to the Board, on or before November 14, 2012.

The purpose of the hearing is to receive comments on a FY'2014 Community Transportation Program [CTP] application that will be submitted to the NC Public Transportation Division before December 28, 2012. Rowan County will apply for Administrative, and Capital funding to support the coordination of community transportation strategies and to acquire the necessary equipment to provide Rural Transit Services in Rowan County. RTS is proposing the continuation of transit services for rural general public passengers and human service agencies. RTS will use service designs of demand response, subscription trips, and referrals to other community transportation providers. The project will use both standard vans and conversion vehicles with lifts. The Rowan County application will apply for \$189,997 in administrative funds, \$45,400 in capital funds. The CTP grant requires a 15% local match for Administrative funds and a 10% match for capital funding. The project period is for July 1, 2013 to June 30, 2014. The final application is open for public inspection and comment from November 13, 2012 until November 16, 2012. Copies of the application may be obtained by contacting Gary Price, RTS Director, at the Rowan County Transportation Department, 2726 Old Concord Rd, Salisbury, NC 28146 or by telephone at 704-216-8889. Written comments may also be directed to Mr. Price at the same address.

This 12th day of November 2012.

Carolyn Athey, CMC, NCCCC
