PE Certification for Subdivision Roads
Compliance with Section 21-80(b) of the Rowan County Subdivision Ordinance

Subdivision Name _____ Date _____

Entrance from _____ Phase _____
(US, SR #, NC Route or Road Name) (As Applicable)

A final inspection of the roads and storm drainage for the above referenced subdivision has been performed by _____. I have reviewed the inspection data and have determined that the roads in this project have been constructed in accordance with the design drawings approved as a component of the preliminary plat process by the Rowan County Subdivision Review Committee (SRC) on _____ and all subsequent revisions. My observations and testing indicate the subgrade, base and pavement has been constructed in accordance with the guidelines established by NC DOT Standard Specifications for Roads and Structures, as verified by the attached results.

Name _____

Signature _____

NC PE # _____
