4. Click Sign Up to get started

Frequently Asked Questions

Can I sign up for a digital library card if I already have a library card but have misplaced it?

No. You must visit your nearest library to obtain your number.

Can I use my digital library card to reserve books?

No. To reserve books, DVDs, or CDs from the library, you must use a regular library card.

Can I print out a project while I am in the library?

All library locations offer wireless printing for a nominal fee. Check with the information desk for more details.

What if I lose my digital card number or PIN?

Visit any library location to retrieve your digital library card number. Call or visit any library location and confirm registration details to retrieve your PIN.
