

Steven C. Smith MSN, BSN, ANP-C

Adult Nurse Practitioner

Hello! I'm Steven Smith, an Adult Nurse Practitioner. I'm looking forward to assisting you with your health care needs in the new on-site clinic.

My background includes 26 years of nursing in a wide variety of roles ranging from the Intensive Care Unit (ICU) to the Emergency Department (ED) to the Operating Room (OR). For the past four years I have worked in employer based clinics, just like yours.

I understand how important this convenient, personal health service can be as a tool to assist you as you address your unique health issues.

In addition to being a Nurse Practitioner, I'm also a husband (my wife is also an NP) and a father of two children. Our home is located between Lexington and Salisbury. In my spare time I enjoy being a potter, activities with my children, and exercising.

I truly believe that we are all directly responsible for our own health and wellness, and I look forward to working with each of you to achieve your health care goals in the convenience of your on-site clinic. To that end, I'd like you to know my two main clinical health objectives:

1. to increase your health and wellness and
2. to work towards helping you to save your hard earned health care dollars

I look forward to seeing each of you in the clinic soon.

Steve

The clinic hours will be:
Tuesdays 8:00AM – 5:00PM
Fridays 8:00AM – 12:00PM
