---

Beginning on April 1, the web site where first responders apply for all Assistance to Firefighters Grant Programs changed from its previous web site address of [www.firegrantsupport.com](http://www.firegrantsupport.com) to the FEMA web site at [www.fema.gov/firegrants](http://www.fema.gov/firegrants).

The transition is part of FEMA's effort to make information more easily accessible and more user-friendly for first responders. Applications, announcements, guidance documents, and other information and resources for all of FEMA's fire grant programs – including the Assistance to Firefighters Grant Program (AFG), the Staffing for Adequate Fire and Emergency Response Grants (SAFER), Fire Prevention and Safety Grants (FP&S), and information on the Assistance to Firefighters Station Construction Grants (SCG) – is now located at [www.fema.gov/firegrants](http://www.fema.gov/firegrants).
