

Rowan County Detention Center Visitation Guidelines

In order to ensure the safety of Detention Staff, inmates, and their families and friends, the Rowan County Detention Center has put in place rules and guidelines for inmate visitation. The rules are not meant to be “arbitrary”, but were put in place to ensure the safety and security of the Detention Center. **All visitors are to report to the Jail Annex located at 400 Grace Church Rd. Salisbury NC for their visit.**

- All adult visitors must present a government issued photo ID such as a driver’s license, State ID card, military ID, etc.
- No persons under the age of eighteen (18) can visit without a legal parent or guardian. Children must be supervised and kept under control at all times.
- Visits are limited to four (4) persons per visit.
- No purses, bags, firearms or weapons of any type, chemical sprays, cell phones, or cameras will be allowed in the facility. All personal effects must be left at home or in their vehicle.
- Visitors must wear conservative clothing. Short-shorts, mini skirts, bathing suits, halter tops, or other revealing clothing is prohibited and will prevent them from visiting. Any visitor who intentionally exposes themselves during a visit is in violation of state law. Visitor exposure that violates public decency laws will be prosecuted criminally. These rules also apply to home visits (when available).
- It is recommended that visitors arrive 30 minutes in advance of their scheduled visit in order to check in. Visits start precisely at the scheduled time and cannot be rescheduled for the same day if late or missed.
- Visitors may be subject to a search prior to entering the visitation area. Visitors will be denied the right to visit if they refuse a search.
- Officers may refuse a visit if a visitor appears under the influence of an intoxicating substance, refuses to cooperate, fails to produce identification, or acts in a disorderly manner.
- Visitors may not wander through or loiter in the visitation area or Detention lobby. Visitors must stay seated at their assigned booth during visitation.
- All visitors are required to follow the instructions of officers. Visitors failing to cooperate will be asked to leave, terminating the visit and are subject to the revocation of visiting privileges.
