## INSTRUCTIONS

- Use this form to request a new or replacement **North Carolina Voter Identification Card** (NC Voter ID). The NC Voter ID card is a form of acceptable photo ID to vote in North Carolina. For more information about photo ID, visit [VoterId.ncsbe.gov](http://VoterId.ncsbe.gov).
- Any registered voter may request a NC Voter ID in the county where the voter is registered to vote. If you already have an acceptable photo ID, you do not need to request a NC Voter ID. Visit [VoterID.ncsbe.gov](http://VoterID.ncsbe.gov) to see the full list of acceptable photo IDs.
- If you are not registered to vote in the county where you now live, you must submit a voter registration form at the same time you submit this form.
- The card is valid for 10 years from the date of issuance and is valid for voting purposes statewide.
- You may get help completing this form, but you must sign or place your mark beside the “X” on the form.
- To request a new NC Voter ID, submit this form in person to your county board of elections. You must provide all required information. The county board of elections will take your photograph and issue the card to you if the information you provided matches the information on your voter registration record. If you have a NC Voter ID and believe the photo on the card does not reflect a change in your appearance since the card was issued, you may request a new card and the county board of elections will take a new photograph.
- To request a *replacement* NC Voter ID card, submit this form to your county board of elections in person or by mail. Include your full name and date of birth or last four digits of your Social Security number on this form. You may also request a replacement card by telephone. You may request a replacement card if you lose or damage your card or if your name changes.
- If you need to update your voter registration after a name change, just provide your former name, current name, date of birth, and last four digits of your Social Security number on this form.
