

## Notice of Rowan County Early Voting Sites Electioneering and Buffer Zones

The following is a list of Rowan County early voting sites. All sites use a 50-foot radius from the entrance as the buffer zone. Buffer zones are set as designated by G.S. 163-166.4. Election officials will mark buffer zones with cones, “No Electioneering Beyond this Point” signs, and paint or tape.

Campaigners are not to enter the buffer zone. Campaigning issues or suspected violations are to be brought to the attention of the Chief Judge of the site and the Board of Elections office.

Each early voting site has a designated campaigning area for tents and tables etc. Campaigners must never block traffic, fire lanes, entrances, parking spaces or sidewalks. **Handicap parking spaces must never be blocked.** Campaigning supplies must not be left unattended and may not be left at the sites overnight.
