

FIELD TRIP REGISTRATION INFORMATION

PROGRAMS

- Please be on time. If you are late, programs may have to be shortened or rescheduled, which is unfair to students.
- If attending a Nature Center educational program, we suggest visiting the Reptile & Aquarium *after* the program.
- Pregnant women, persons with compromised immune systems, and those under age 5 are advised not to touch animals.
- All participants who have touched the animals are encouraged to use hand sanitizer provided after the program.

FACILITIES

- We have a limit of 65 seats for Nature Center and Gem Mine programs. Adults may wait outside during the programs.
- Large restroom facilities are available adjacent to the Nature Center buildings.
- Please allow at least 5 minutes to walk from the bus parking area to the auditorium.
- Please allow extra time for walking to different activities. You may find the Park Map helpful in planning your route.

RULES

- No food or drink is allowed inside buildings.
- Students should be informed prior to arriving that they must follow instructions of program staff for their safety and for the safety of our animals.
- Wet clothing is not allowed in buildings.
- Programs should be scheduled **at least two weeks in advance**.
- Please notify us if you are canceling your program **within 72 hours** of your scheduled visit. This allows us to plan accordingly for staffing and other scheduling needs.
