

# Rowan County Health Department Employee of the Quarter

Terrill Griffis joined the Rowan County Health Department team April 26, 2009 filling the pharmacy technician position. Prior to coming to the health department, Terrill had been employed for many years at Towne Pharmacy (now Moose Pharmacy) in Salisbury. Terrill is a certified pharmacy technician. Terrill has worked diligently at the health department with the medication assistance program to help many clients that do not have the means to purchase needed medications to obtain them through the assistance program. Additionally, Terrill maintains the pharmacy inventory and orders medications when supplies are running low. She assists with immunization tasks and assures that immunization stock needing to be refrigerated or frozen when delivered is promptly inventoried and placed in appropriate storage. Terrill is always willing to help others and takes the initiative to expand her work duties and tasks. Terrill enjoys spending time with her family in the Northeast and in Texas. As in all things, Terrill is compassionate and caring for friends, family, and the clients we serve.
