

RELAY FOR LIFE CAMPAIGN:

## **Cleaning up Rowan County for a Cure**

Fighting Cancer is a cause that is easy to rally around. As members of the Rowan County Sheriff's Office Relay for Life Team, we have come up with the concept to combine our efforts of raising funds for the American Cancer Society's Relay for Life Campaign and cleaning up our environment. During this campaign, off duty sheriff's deputies will volunteer their time and take to the roadsides of Salisbury City and Rowan County to clean litter on fifteen (15) different occasions. As a fundraiser, we are seeking individual and local business sponsorship donations of \$30.00. In addition we are asking sponsors to pledge \$3.00 per garbage bag of litter picked up along the roadsides of Salisbury City and rural Rowan County. Sponsors choose the number of bags of litter they wish donate towards. Our efforts will provide funds for the American Cancer Society's Relay for Life event, while making our city and county roadside more attractive.

Sponsor names will be placed on a banner and will be recognized by our team on the night of the Relay for Life event on May 7, 2016.

Though it is not physically possible to clean every roadside ditch in Rowan County, we will make an effort to clean as many areas as possible.
